OTHER INFORMATION

Students are required to read the Student Handbook and agree to the Terms and Conditions prior to enrolment. All candidates must satisfactorily complete a language, literacy and numeracy (LLN) assessment as well as a training suitability discussion during the enrolment process.

You will receive training confirmation after your enrolment has been reviewed. All students require a valid Unique Student Identifier (USI). Assessment methods vary according to the specific requirements for the unit of competency but may include written knowledge questions, projects, demonstration of skill, reports, and direct observation of practical tasks. Alternative methods of assessment are based on reasonable adjustment.

A nationally recognised Statement of Attainment will be issued within 30 calendar days of you being assessed as meeting the requirements for the training.
